We are Monsters [Songs and Scenes Version]

This songs and scenes version of WE ARE MONSTERS is a fun, original musical that follows human kids into a monster cabaret filled with quirky monster characters. The adventurous humans uncover vegetarian vampires and rock n' roll werewolves, gradually realizing there may be more to these monsters than meets the eye! Most importantly these monsters and kids discover the importance of friendship and celebrating in the attributes that make each of us different and unique.

Ages 9 – 18

Sally Sells Sea Shells (and you can, too!)

Sally is a kid con-artist who explodes onto a quiet beach town with a get-rich-quick seashell-selling-scheme. For a small fee, she trains the kids on how to sell seashells before the annual summer festival, but plans to skip town with all their money before the big event! Sally becomes torn after meeting a local, Tam, who joins the program eager to help her family. The kids in this little beach town will never be the same as they learn the importance of friendship, honesty, and finding a healthy balance between working hard and having fun.
